To ensure that your direct debit authority has been received by the College Finance Department, please check that your direct debit has been processed from your bank account or credit card on the first scheduled date. In the event that our financial institution's online site is not available to process the direct debits, the direct debits will be debited to your bank / credit card account on the next business day following the schedule processing date.

If your drawing is rejected or dishonoured by your financial institution, we will automatically add to your fee account the dishonoured payment amount, and an administration charge of \$50.00 will be applied.
