Families may be eligible for Child Care Subsidy (CCS) through Services Australia. To claim CCS, families will need to provide the CRN number of their child and the claiming guardian. CCS is then paid directly to the service and provides families with a reduce fee. Further information about CCS can be found here: [Child Care Subsidy - Services Australia](#). Families can receive a fee estimation by using the Child Care Subsidy Calculator here: [Child Care Subsidy Calculator at Starting Blocks.gov.au](#).

Invoices are distributed to families Tuesday each week and are available via your XAP Guardian portal. Families have 24/7 access to their statement history via your XAP Guardian portal.

The following payment methods are available for families at St John's ABCC:

- Direct to Centre: paid using the bank information available on your invoice.
- Direct Debit (*additional transaction fees may apply*): taken Friday each week once \$10 of debt has been accrued.
- BPay (*additional transaction fees may apply*): paid using BPay information available on your invoice.

Understanding your arrangement type

If making bookings online, families may be asked to enter in their arrangement type. This refers to the CCS arrangement that you have with the department. Please see below an explanation of the different arrangement types.

- CWA (Complying Written Agreement) – for families claiming CCS
- RA (Relevant Agreement) – for families who don't want to claim CCS
- OA (Organisation Agreement) – for families who have their fees paid by a third party (state/employer/organization)
