Approved by FSAC Ltd Board: 29 October 2020

Version: 4.5

Last Reviewed: 23 September 2020

Next Review: 1 October 2023

Contact Officer: Manager Human Resources and Compliance

1 Statement

The FSAC Board recognises that the FSAC Colleges and Staff bear a responsibility for the safety and welfare of students in “loco parentis”. This Duty of Care acknowledges that as the students are children and young people they are particularly vulnerable and dependent upon those charged with their care to protect them from reasonably foreseeable risks of harm and injury.

SPECIAL NOTE: This policy should be read in concert with Student Protection in Anglican Schools Policy and Procedures which deals with matters of harm, sexual abuse or inappropriate behaviour. The Student Protection Policy and Procedures must be kept at the forefront when considering and implementing the contents of this policy and associated procedures. In the event that reasonable suspicions exist that harm, and/or sexual abuse has occurred or is likely to occur, the Student Protection Policy and Procedures must be followed.

2 Scope

This policy and its affiliated procedures apply to the Board, employees (paid or unpaid, full time, part time, casual and volunteers) and other persons such as parents/carers, clergy, contractors and consultants associated with the Colleges and associated entities.

3 Principles

This policy is based on the following principles:

- FSAC Ltd, the Board, Colleges, staff and volunteers, each have a duty of care to take reasonable steps to prevent students from being exposed to foreseeable risks of harm and/or injury.
- The vulnerability and special dependence of children and young people upon their carers imposes an expectation of a high standard of care on FSAC Ltd, the Board, Colleges, staff and volunteers.
- While College staff members generally dispense practical care to students; this does not eliminate, negate or diminish the duty of care owed by FSAC Ltd to College students.

- Adequate student supervision, grounds and facilities maintenance and policy and procedural reviews will assist in the prevention of foreseeable harm and injury to create safe school communities.
