STUDENT BEHAVIOUR ON BUSES

Exemplary behaviour is expected from all students while they are travelling to and from St John's. Whenever students are wearing the College uniform, it is expected they will represent the College proudly and that they will obey the College rules.

Students travelling to or from St John's by bus are expected to uphold College standards of behaviour. Incidences of poor behaviour on buses will be treated very seriously.

Listed below are rules of behaviour for bus students:

- Students will be courteous and considerate to each other at all times
- Students will obey the direction of the bus driver
- It is expected that students will travel quietly and behave in accordance with St John's standards
- Inappropriate language will **NOT** be tolerated
- No food or drink will be consumed on the bus
- Students once seated will remain seated and are not permitted to change from seat to seat during the journey
- Students should respect all bus property; they must not put feet on the seats
- Students should take care of their belongings on the bus. When leaving the bus, the students should check to ensure that they have all their belongings with them
- Students must disembark the bus neatly in full College uniform (including dress hat)
- Students who fail to observe bus rules will be subject to College discipline and may forfeit their right to use bus services.

Rules for bus travel are designed to ensure a safe, comfortable and pleasant journey. Parents are encouraged to discuss the rules with their children and impress upon them their importance.
